### 2021 TSX30 PROGRAM

ON BEHALF OF THE ENTIRE VICTORIA GOLD TEAM and our employees and partners at the Eagle Gold Mine, I am honoured to announce that Victoria Gold is included in the **Toronto Stock Exchange 2021 TSX30**; a program recognizing the 30 top-performing Toronto Stock Exchange (TSX) stocks over a three-year period.

I am humbled that Victoria Gold has received this recognition; part of a list that includes all sectors and both established and emerging companies.

I would like to take this opportunity to express my sincere gratitude for the support of our employees and contractors, the investment community, the First Nation of Na-Cho Nyak Dun, within whose traditional territory we operate, and Yukon residents and businesses throughout the territory.

You all have come together to significantly contribute to the success of the Eagle Gold Mine as we have constructed and brought our mine into operations and generated extraordinary returns over the last three years.

Thank you and working together, we look forward to the Eagle Gold Mine contributing benefits and opportunities for the Yukon for decades to come.

Sincerely,

**John McConnell**  
President & CEO
