

Victoria Gold Corp. (“Victoria”) is a mining company with an Executive team that is experienced in developing and operating mines in an environmentally and socially responsible manner. Fully permitted for the life of the mine, Victoria’s Eagle Gold Mine poured its first gold in September 2019 and declared commercial production at the end of Q2 2020. Future and current mines, like Eagle Gold, will be a strong contributor to the Yukon and its citizens for many years to come. www.vgcx.com

Victoria is looking to hire the position outlined below for our **Eagle Gold Mine** located in Yukon:

FIXED MAINTENANCE SUPERVISOR

Under the direction of the Fixed Maintenance General Foreman, the Fixed Maintenance Supervisor is responsible for organizing all mechanical planned and unplanned repairs to the equipment. To supervise the routine, emergency, major component change outs of all fixed maintenance equipment. To supervise, coordinate, lead and monitor all activities with the highest standard of safety across the mine-site. The position is site-based working a 2-week rotational schedule of 12-hour shifts. **This position offers a competitive salary starting between \$129,150 – 143,500** Responsibilities are noted below which will include but are not limited to:

Main Tasks and Responsibilities:

- Ensure employees are in compliance with all Company policies/procedures and safety regulations;
- Zero environmental non-compliances, accidents and incidents;
- Provide leadership to the fixed maintenance team;
- Supervise, coordinate and monitor routine maintenance of fixed equipment;
- Coordinate the availability of parts for maintenance projects;
- Identify and balance resource demands for work group; approve time cards;
- Communicate performance expectations to crew members and address any performance issues that can be improved;
- Perform shop inspections at the beginning of each shift;
- Organize work assignments with on-shift supervisors; and
- Behave in a way that demonstrates support of Victoria Gold’s Vision and Values.

Qualifications and Experience:

- Proven commitment to safety, health and environmental standards;
- College Diploma and/or Trades Certification with 6 to 10 years of experience in a maintenance related field;
- 3 to 6 years supervisory experience;
- Excellent oral and written communications skills with internal and external contacts;
- Proficiency in MS Office Suite and manufacturing systems;
- Strong background in CMMS;
- Ability to work within a team environment with demonstrated leadership qualities;
- Must pass pre-employment medical, substance abuse test, criminal records check, hold a valid class 5 driver’s license, provide a driver’s abstract;
- Self-directed and self-motivated, demonstrating initiative to do more than is expected or required in the position

Victoria Gold Corp. arranges, and provides flight and hotel for travel to site at no additional cost to the employee and has a competitive compensation and benefits package including medical and a matching retirement savings program.
