Victoria Gold / FNNND CBA Scholarship Program 24/25

Investing in Your Success!

Introduction

Priority for this funding will be given to students entering a business, mining, engineering, geology, science, environment, community development, health and safety or other program related to the mineral exploration and development industry.

Educational Focus

As part of the *Comprehensive Cooperation and Benefits Agreement (CBA)*, Victoria Gold Corp. (Victoria) and the First Nation of Na-Cho Nyak Dun (FNNND) have established a scholarship program to support Na-Cho Nyak Dun citizens attending university, college or trades and technical courses full time.

The funds may be used for tuition, school supplies and equipment, rent, food, day care and/or transportation costs.

Scholarship Amounts

Scholarships range from \$500 to a maximum of \$5,000.

The scholarship amount is determined by tuition costs, program length, anticipated living costs and the number of Victoria Gold / FNNND CBA Scholarships awarded in one year.

Disbursements

Successful applicants will receive payment directly from FNNND or, when possible, NND will provide the funds directly to the relevant post-secondary institution on behalf of the recipient.

Applicants who receive more than \$2,500 will receive the amount in two separate payments – the first at the beginning of the program and the second at the start of the second semester or mid-point of the program.
