

Victoria Gold Corp. (“Victoria”) is a mining company with an Executive team that is experienced in developing and operating mines in an environmentally and socially responsible manner. Victoria’s Eagle Gold Mine poured its first gold in September 2019 and declared commercial production at the end of Q2 2020. Future and current mines, like Eagle Gold, will be a strong contributor to the Yukon and its citizens for many years to come. www.vgcx.com

Victoria is looking to hire the position(s) outlined below for our **Eagle Gold Mine** located in Yukon:

WATER TREATMENT PLANT OPERATOR

Under the direction of the Process Supervisor, the Water Treatment Plant Operator is responsible for safely and efficiently commissioning and operating the Water Treatment Plan. This position will be based at the Eagle Gold Mine-site working a rotational schedule; 12 hours per shift on a day/night shift work schedule. Responsibilities are noted below which will include but are not limited to:

Main Tasks and Responsibilities:

- Safe and efficient operation of all water treatment equipment and procedures within the Water Treatment Plant.
- Operate and monitor computerized control systems and related equipment in water treatment plants to regulate the treatment and distribution of water;
- Read meters, gauges, and other recording instruments to measure water output and reagent consumption;
- Collect and test water samples;
- Complete and maintain plant logs, reports and statistics;
- Maintain equipment in good operating condition, reporting and logging maintenance requirements or concerns;
- Communicate effectively and professionally with other employees; and
- Be a leader of both safety and production for the team by ensuring compliance with all Company and legislated safety policies and procedures.

Qualifications and Experience:

- Commit to safe work practices;
- Three (3) years’ experience operating a water treatment plant or comparable process facility is required;
- Industry training and certification in water treatment plant operations would be an asset;
- Must pass pre-employment medical, pre-employment substance abuse test, criminal records check, have a valid driver’s license and provide a driver’s abstract;
- Ability to work within a team environment;
- Self-directed and self-motivated, demonstrating initiative to do more than is expected or required in the position; and
- Have a proven commitment to safety, health, and environmental standards.

Victoria Gold Corp. offers a competitive compensation and benefits package.
