

Eagle Gold Mine Update

VITGOLDCORP.COM

LIKE ALL YUKON INDIVIDUALS, BUSINESSES, COMMUNITIES AND GOVERNMENTS, THE VICTORIA GOLD TEAM IS FACING AND ADAPTING TO THE CHALLENGES OF COVID-19; in our daily lives, at home with our children balancing e-learning in light of school closures and in the company's case, with the operational procedures at the Eagle Gold Mine.

The health and safety of our employees, the service and supply companies which serve the mine and the Yukon residents and communities Victoria serves is of paramount importance to us.

As a result, a **Victoria Gold Corp. COVID-19 Action Plan** and resulting operational procedures have been designed and are being implemented at, and in transit to and from, the Eagle Gold Mine. This plan and its resulting procedures institute strict prevention measures to protect our workforce and Yukoners from the virus, while maintaining mine operations and the significant economic contributions we provide to the territory, which will help to lead us out of, and on the other side, of this crisis.

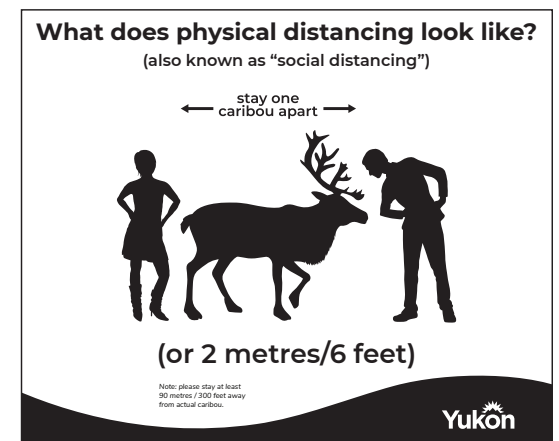

Victoria's COVID-19 Action Plan continues to be modified and updated as the situation evolves and continues to meet or exceed regulations and guidelines established and communicated by the Yukon's Chief Medical Officer of Health.

The plan's COVID-19 mitigation measures include:

- Employees returning to site from outside the Yukon will self-isolate in Whitehorse prior to traveling to site at the Eagle Gold Mine.
- A stop to all non-essential travel.
- All Yukon employees and contractors traveling to Eagle Gold Mine are required to complete a screening conducted by a third-party professional occupational health and safety services provider.
- All employees and contractors leaving the Eagle Gold Mine are required to complete this same screening prior to departing the site.
- All employees and contractors are instructed to practice physical distancing.
- Restricted and controlled access for all Victoria employees and contractors to all Yukon communities.

“The health and safety of our employees, contractors, NND citizens and the traditional territory within which we operate is the most important aspect of our business. Along with our unwavering commitment to health and safety, Victoria is firmly dedicated to contributing to the financial security and wellbeing of our employees, local communities and Yukoners through the ongoing operation of the Eagle Gold Mine.”

- JOHN McCONNELL | PRESIDENT & CEO, VICTORIA GOLD CORP.

VICTORIA GOLD IS PROUD TO HAVE YUKONERS AT WORK

IF YOU ARE A YUKONER WITH MINING EXPERIENCE, WE ENCOURAGE YOU TO CONNECT WITH US.

Victoria is currently hiring tradespeople, equipment operators, process/crusher operators and other positions to work at the Eagle Gold Mine. Visit the “Work For Us” page on our website at vitgoldcorp.com/contact/work-for-us/ and send your resume to greatpeoplework@vitgoldcorp.com.

ABOUT VICTORIA GOLD & THE EAGLE GOLD MINE

The Eagle Gold Mine, now in production, is part of Victoria's 100-per cent-owned Dublin Gulch Property located approximately 375 kilometres north of Whitehorse and 85 kilometres north, northeast of the Village of Mayo within the traditional territory of the First Nation of Na-Cho Nyak Dun. The property is accessible by road year-round and is connected to Yukon Energy Corp's electrical grid. The mine will be a significant contributor to Yukon employing 350 to 400 people.
