

Eagle Gold Mine Update

VITGOLDCORP.COM

LIKE OUR FELLOW YUKONERS, THE VICTORIA GOLD TEAM IS CONTINUOUSLY MONITORING AND RESPONDING TO THE RAPIDLY AND EVER-CHANGING COVID-19 PANDEMIC IN ORDER TO MAINTAIN THE HEALTH AND SAFETY OF OUR EMPLOYEES AND THE COMMUNITIES IN WHICH WE OPERATE.

We extend our sincere appreciation to the Yukon Government and the First Nation of Nacho-Nyak Dun as they navigate the COVID-19 crises on behalf of their citizens' health and welfare and overwhelming fears surrounding economic uncertainty.

Our Eagle Gold Mine operating procedures and COVID-19 Prevention protocols, today as will continue into the future, are up-to-date and aligned with recommendations and advice from Canada's Public Agency of Health and Yukon's Chief Medical Officer of Health (CMOH), as well as the World Health Organization (WHO) and the medical community.

We join governments and agencies around the territory and around the world as we work together to stem the spread of COVID-19. Victoria appreciates the particular risks that COVID-19 presents to our dispersed work force and to Yukon's remote communities where access to health services may be geographically challenging.

“Victoria is committed to keeping our employees and contractors informed and updated on the COVID-19 pandemic and to continue our engagement with governments and communities to help uphold the health and safety of Yukoners.”

- JOHN McCONNELL | PRESIDENT & CEO, VICTORIA GOLD CORP.

In order seek out and receive the most current information possible, Victoria Gold encourages all Yukoners to reference Yukon Government's COVID-19 web site at yukon.ca/en/health-and-wellness/health-concerns-diseases-and-conditions/find-information-about-coronavirus-covid and we wish you and your families strength and perseverance during this very challenging time.
