VICTORIA GOLD/J.V. CLARK SCHOOL ATTENDANCE AWARD

Since the 2011-2012 school year, Victoria Gold has been proud to provide and present a student attendance award at J.V. Clark School in Mayo each year.

This year, the award went to Grade 4 student Liev Sicotte for no missed school days and no days late. His name will be added to the award plaque next to Winter Sicotte, who won the attendance award last year.

Victoria Gold Community Liaison Michelle Dawson-Beattie presented Liev with his award earlier this Spring before school concluded for the summer break.

“On behalf of the Victoria Gold team, I extend my sincere congratulations to Liev for his perfect attendance,” says Victoria Gold President & CEO John McConnell. “Encouraging our territory’s students to attend school each day and every day is very important to our Company as we work together as a community to support student success.”

Victoria Gold has long been committed to supporting increased student engagement and attendance throughout Yukon classrooms.

In 2012, the Victoria Gold Yukon Student Encouragement Society and the registered charity’s *Every Student, Every Day* fund was created to raise awareness and funds to help address barriers impacting regular school attendance. Since its establishment, Every Student, Every Day has distributed over \$1.5 million to directly support over 170 student attendance projects in the territory.
