EVERY STUDENT, EVERY DAY PROJECT RECIPIENTS FOR 2022-2023 SCHOOL YEAR

A total of \$300,000 in support has been awarded to 30 Yukon projects from the Victoria Gold Yukon Student Encouragement Society's *Every Student, Every Day* fund, which has been operating for 10 years in the territory.

For the 2022-2023 school year, community groups, school councils and First Nations governments will implement 30 projects designed to help increase student attendance. These projects will remove barriers, increase engagement and create a greater sense of belonging in school communities.

"We're so pleased to build on the momentum *Every Student, Every Day* has gained in its 10 years to help address barriers to regular school attendance in the Yukon," says Victoria Gold Yukon Student Encouragement Society President Tara Christie. "Although the pandemic created previously uncharted challenges for our educators, our students and their families, *Every Student, Every Day* is proud to encourage and support community-driven projects with a record amount of funding this year."

Since its establishment in 2012, *Every Student, Every Day* has directly supported more than 170 local projects with over \$1.5 million; raised primarily from Yukon businesses and individual donations. This year, the Victoria Gold Yukon Student Encouragement Society increased its funding to \$250,000 augmented by the Yukon Government contribution of \$50,000.

"Thanks to the generosity and commitment of our donors and community partners, we're excited what the next decade will bring as we work together to support increased attendance in the territory," adds Christie.
