VICTORIA GOLD/NND CBA SCHOLARSHIP PROGRAM DEADLINE

As part of the *Comprehensive Cooperation and Benefits Agreement (CBA)*, signed by Victoria Gold and the First Nation of Na-Cho Nyak Dun (FNNND) in October 2011, a scholarship program was established in 2012 and is mutually implemented to help support FNNND citizens attending full-time university, college or trades and technical courses.

This initiative, the **Victoria Gold/NND CBA Scholarship Program**, accepts applications twice a year; in August for the Fall school semester and in November for the Winter school semester.

The **upcoming scholarship program application deadline is November 26, 2021** and scholarship awards will be provided in January 2022.

Robert Hoogland received a Victoria Gold/NND CBA Scholarship earlier this Fall as he pursues his Home Inspector Certificate at the Carson Dunlop School of Home Inspection.

“The Victoria Gold/NND CBA Scholarship has provided me with an opportunity to pursue my future goals and with the support, I was able to invest in equipment used for home inspection,” says Robert. “My plans include getting certified as a home inspector and becoming an entrepreneur, as most home inspectors own their own business or have become self-employed.”

Since its creation, the Victoria Gold/NND CBA Scholarship Program has provided over 125 scholarships to FNNND citizens for a total disbursement over \$120,000.

“Education and training are important aspects to achieve your goals and dreams for success,” continues Robert.

The next Victoria Gold/NND CBA Scholarship Program deadline is November 26, 2021 and will be awarded in January 2022.

Program details can be found at vgcx.com/community

First Nation of Na-Cho Nyak Dun citizen Robert Hoogland received a Victoria Gold/NND CBA Scholarship earlier this Fall to pursue post-secondary studies.

VICTORIA GOLD IS PROUD TO HAVE **YUKONERS AT WORK**

ABOUT VICTORIA GOLD & THE EAGLE GOLD MINE

The Eagle Gold Mine, now in production, is part of Victoria’s 100-per cent-owned Dublin Gulch Property located approximately 375 kilometres north of Whitehorse and 85 kilometres north, northeast of the Village of Mayo within the traditional territory of the First Nation of Na-Cho Nyak Dun. The property is accessible by road year-round and is connected to Yukon Energy Corp’s electrical grid. The mine is a significant contributor to the Yukon economy employing 350-400 people.
