### EVERY STUDENT, EVERY DAY: \$150,000 AWARDED TO SUPPORT STUDENT ATTENDANCE IN THE YUKON

**EVERY STUDENT, EVERY DAY AND THE VICTORIA GOLD YUKON STUDENT ENCOURAGEMENT SOCIETY**, with ongoing support from Victoria Gold, are very proud to announce the 24 new projects that will receive funding from the \$150,000 raised to help reduce barriers to regular school attendance in the 2021/2022 Yukon school year.

These 24 grass-roots projects will directly benefit 18 Yukon schools, School Councils and Yukon First Nations throughout the territory. A complete list of the successful project applicants, with descriptions of the innovative projects, is available at [www.everystudenteveryday.ca](http://www.everystudenteveryday.ca).

"We know that one of the most important things Yukon students can do is also one of the most basic; help them attend school each day and every day," says Victoria Gold Yukon Student Encouragement Society President Tara Christie. "By working together as a community to support regular school attendance, we can all help prepare our children for success both in life and in school. Our *Every Student, Every Day* team is proud to work with the Government of Yukon and our private sector and community partners and we extend our congratulations to all the

successful applicants in their work to help remove barriers to regular attendance at school."

*Every Student, Every Day* has been operating in the territory for nine years and since its establishment has directly supported more than 140 increased student attendance projects with over \$1.2 million; raised primarily from Yukon businesses and individual donations. The Government of Yukon contributes \$30,000 annually and also provides administrative support to help coordinate *Every Student, Every Day* with schools, Yukon First Nations governments, communities and non-governmental organizations.

"The entire Victoria Gold team is very proud to help support *Every Student, Every Day* and we recognize that by working together, we can all help address barriers to regular school attendance in our territory's schools," says Victoria Gold Corp President & CEO John McConnell. "We are committed to hiring and training Yukoners at the Eagle Gold Mine and by attaining high school graduation, through engagement in learning and regular attendance, opportunities can only increase for our territory's youth right here at home."

## THANK YOU

*Every Student, Every Day* extends its sincere appreciation to the following **Gold Level Sponsors** for their ongoing commitment to helping address barriers to regular school attendance in our territory's schools so Yukon students attend school each day and every day.
