

Victoria Gold Corp. (“Victoria”) is a mining company with an Executive team that is experienced in developing and operating mines in an environmentally and socially responsible manner. Fully permitted for the life of the mine, Victoria’s Eagle Gold Mine poured its first gold in September 2019 and declared commercial production at the end of Q2 2020. Future and current mines, like Eagle Gold, will be a strong contributor to the Yukon and its citizens for many years to come. www.vgcx.com

Victoria Gold is looking to hire the position outlined below for our **Eagle Gold Mine** located in Yukon:

Process Operations Supervisor (HLF)

Under the direct supervision of the Process General Foreman, the candidate will oversee the daily operation of HLF (Heap Leach Facility) to ensure all areas are safely operating at their most efficient capacity. This position at times may be physically and mentally demanding and requires critical thinking and sound judgement. The ideal candidate will possess a great work ethic with a drive for improvement. The position is site-based working a 2-week rotational schedule of 12-hour shifts. **This position offers a competitive salary starting between \$129,150 – 143,500** Responsibilities are noted below which will include but are not limited to:

Closing Date: April 29th, 2024

Main Tasks and Responsibilities:

- Directly supervise, support, and professionally develop a crew of four process operators and two millwrights
- Meet stated production goals in an innovative and safe manner;
- Organize workflow by assigning responsibilities and preparing schedules;
- Ensure safe and efficient operation of all processing facilities;
- Submit shift reports and pass downs on performance and progress;
- Follow up and monitor employees throughout work shift as well as train new employees;
- Communicate systems failures and outages with maintenance groups and management;
- Work in cooperation with the site environmental group to ensure compliance with all site regulations and permits; and,
- Behave in a way that demonstrates support of Victoria Gold’s Vision and Values.

Qualifications and Experience:

- 5 years experience working in a processing plant;
- 3 years Lead/Supervisory experience is required;
- Prior experience working in a gold plant will be considered an asset;
- Ability to facilitate crew lineouts, safety meeting etc.
- The ability to communicate with all levels of personnel;
- Ability to relate the concerns of employees and present them appropriately to management;
- Computer skills required for data management and communication;
- Must pass pre-employment medical, substance abuse test, criminal records check, hold a valid class 5 driver’s license, provide a driver’s abstract; and,
- Have a proven commitment to safety, health and environmental standards;

Victoria Gold Corp. arranges, and provides flight and hotel for travel to site at no additional cost to the employee and has a competitive compensation and benefits package including medical and a matching retirement savings program. If you are excited about this opportunity and feel you meet the expectations of the role, please send us your resume with the email subject headline "Process HLF Supervisor" to the following email address: greatpeoplework@vgcm.com
